### American-International Charolais Association (AICA) 2016 Fall Show Classification June 1, 2016 – December 31, 2016

#### SPECIAL RULES

All animals to be eligible for an Open Charolais Breeding Class must be purebred and registered with the American-International Charolais Association (AICA). Only bona fide (original) certificates of registration will be accepted as evidence of registration and ownership; NO PHOTOCOPIES.

An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herdbook.

Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the perimeters of the AICA Color Card.

All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.

All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads is not permitted.

Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.

Bulls from classes 111, 112, 115, 116 and 117 must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.

All animals shown in individual classes must be weaned, with the exception of the Cow-Calf Class and calves at the side of females calved after September 1, 2014. Calves at side must be purebred and registered with the AICA. Females calved after September 1, 2014, must show in individual female class appropriate to age. Nurse cows are not permitted.

All females 20 months and older exhibited at AICA sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.

AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead.

ALL EXHIBITS OF CHAROLAIS BREEDING CATTLE SHALL BE GOVERNED BY THE AICA RULES AND REGULATIONS, ARTICLE XV, TITLED EXHIBITION OF ANIMALS. THE INSPECTION OF EXHIBIT CATTLE IS SPECIFIED IN ARTICLE XV, PARAGRAPH C, OF THE ASSOCIATION RULES AND REGULATIONS AND NON-COMPLIANCE OF EXHIBIT INSPECTION IS SPECIFIED IN PARAGRAPH D OF THE SAME ARTICLE XV.

ARTICLE XV, PARAGRAPH B, POINT 2: "Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical or other (including banding or other circulatory constriction) appearance change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus) is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered and modified."

***Effective October 22, 2004, at any American-International Charolais Association (AICA) sanctioned show (including shows receiving AICA premium funding and/or qualifying as a Roll of Excellence Show), the use of a coloring agent, flock and powder is prohibited. Use of these products will result in the immediate disqualification of a given animal at such show.***

- B. **REGISTRATION CERTIFICATES:** Exhibitors are required to have AHA original registration certificates of the animals on exhibit, in possession of the herdsman with the cattle. Similarly, in cases of animals originating from outside the USA and owned by breeders outside the USA, official registration certificates from country of origin are required. ## SIMMENTAL DIVISION

Show Date – Sunday, September 4, 2016 - 12:00 noon

### SPECIAL SIMMENTAL PRIZE

New York Simmental Association WILL COLLECT DONATIONS FOR THE 2015 NY State Simmental Show at Syracuse. These funds will be used to purchase awards presented to winners in the show, and the balance (if any) will be disbursed as follows: The winner of the New York Special will receive 15% (to be split 10% for 1<sup>st</sup> and 5% for 2<sup>nd</sup> if there are at least 7 entries); Grand Champions 10%, Reserve Grand Champions 5% and Divisional Champions will receive the balance divided equally.

The Simmental classes are open to all duly REGISTERED 75% and above animals of the American Simmental Association or the Canadian Simmental Association. (50% registered Simmental need to show in the "Other Breeds" Show). All females & males must have an official original registration certificate.

All females entered in class 320 are required to have a certificate from a licensed veterinarian stating that the female is safe in calf prior to show date or have a letter from an embryo transplant facility stating that she has produced viable embryos prior to show date or have a natural calf at side.

All animals must be registered as the property of the exhibitor in the records of the American Simmental Association or Canadian Simmental Association as evidenced by the ORIGINAL REGISTRATION CERTIFICATE. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in individual classes, and for the purposes of calculating Premier Exhibitor and Premier Breeder, the points are attributable to the multi-ownership (all co-owners) not to the individual co-owners.

In the group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided he owns a full or part interest in each of the animals in the group entry. Individual animals shown in all group classes listed below, except the Cow-Calf Class, must have been entered and shown in one of the following classes for individual animals. For group classes, except the Get-of-Sire Class and Produce of Dam, all individual animals making up a group entry must be owned or co-owned by the exhibitor. There is no ownership requirement for Get-of-Sire Class or Produce of Dam Class. The Get-of-Sire Class shall be in the name of the sire, not the exhibitor(s). Family members' animals registered in a Junior member's name and entered in the open show may be treated as family entries in the group classes, as long as the Junior member is 21 years of age and under as of January 1st of that year. For the purpose of Premier Breeder and Premier Exhibitor points, an exhibitor will be considered a Junior member and their family as one, as explained above.

Two-year-old Cow/Calf and Aged Cow/Calf classes must have natural suckling calf at side. Calf must be born on or after January 1, 2016 through June 30, 2016. Calf can be shown individually. Any age cow in the aged cow/calf classes.

A Premier Exhibitor Banner will be awarded to the exhibitor accumulating the most points on animals (not to exceed 10 head) exhibited by him and shown in individual classes.

A Premier Breeder Banner will be awarded to the breeder accumulating the most points on animals bred by him and shown in the individual classes. Points for Premier Exhibitor and Premier Breeder shall be calculated as follows: First, second and third place animals in each class will receive one point for each animal IN THE CLASS, up to a maximum of 9 points to 1<sup>st</sup>, 8 points to 2<sup>nd</sup> place and 7 points to 3<sup>rd</sup> place. (For example: A first place winner in a class of six animals shall receive 6 points – first place winner in a class of one will receive 1 point.) Grand Champion shall receive 5 points; Reserve Grand Champion, 4 points; Division Champions, 3 points; and Reserve Division Champions, 2 points. In the event of a tie, the number of points shall be divided by the number of animals the points were derived from and the exhibitor/breeder having the higher point average shall be presented the award.

The American Simmental Association does not offer any premium moneys, nor participate in the showing of Simmental Cattle. There is no guarantee, expressed or implied, by the New York State Fair that moneys or other prizes offered by others will be paid.
