

The following two pages are for Exhibitors to use as they need.

The Tag Page is so that you can print out your own tags (if you wish), such that you can fill the tags out at home and bring them to the fair on the day of the show. Just cut on the blue lines to make 6 tags per sheet. The dotted line is a fold line to hide your name from the Judges.

The “Entry List for the Flower Show” can be printed out and filled in at Home so the exhibitor is well organized when they get to the fair. They can Share the list with the clerks for them to enter into the Clerk Sheets.

For both of the above items, be user to use the latest Premium Books that can be found at: [How to Enter - The Great New York State Fair \(ny.gov\)](https://www.ny.gov/how-to-enter-the-great-new-york-state-fair)

If you have any questions regarding any flower show, please contact the People at the top of the premium book.
