

## Section E – 4-H Horse Show

4-H Horse Program Superintendent – Robin Bartholomew

### Rider Safety and Animal Care

It is the responsibility of the rider, or the parent or guardian of the exhibitor to see to it that the head gear worn complies with the appropriate safety standards as set forth in the official 4-H policy. Cornell Cooperative Extension, New York State 4-H, and the New York State Fair make no representation or warranty expressed or implied about any protective head gear, and caution riders that death or serious injury may result despite wearing such protective head gear, as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

**Proper equestrian footwear with a distinguishable heel and an approved helmet shall be worn at all times that a rider is mounted on an equine, sitting in a cart or handling a horse in a riding arena (whether on the ground, mounted or seated in a cart) at a 4-H sponsored clinic or show.**

Exhibitors are responsible for the humane treatment and well-being for any horse in their care. They are to be treated humanely and with dignity and respect. Showing competitively is of secondary importance.

### Event Specific Rules

Donkeys and Mules will be considered an “equine” and can be shown in any horse or pony classes in all Divisions at the New York State Fair 4-H Horse Show. They must meet all qualification requirements as stipulated in the NYS 4-H Equine Show Rule Book and the State Fair Youth Animal Exhibits Book. They must qualify in their county and/or region for any class that they enter in any of these Divisions.

- Each specific event is governed by rules developed for that event (see “NYS 4-H Horse Program Rules” for each event for details). Visit the website at: [www.ansci.cornell.edu/4h/horses/index.html](http://www.ansci.cornell.edu/4h/horses/index.html).
- In general, the rules developed for each specific event will take precedence over general rules if there is any variation.
- Please refer to the “NYS 4-H Horse Show Rules” for the most complete details of each specific event.

### EQUINES

**ATTENTION** - There will be NO Vet Inspection Station when entering grounds at Gate 7.

- REFER TO: Health Requirements section of the State Fair “Youth Livestock” premium book: <http://www.nysfair.ny.gov/competitions>
- ORIGINAL: Rabies certificate and Coggins papers must accompany the animal – bring to the NYS 4-H Horse Show Office at check in. No animal will be admitted that does not meet all health requirements.
- COPY: Of both the rabies certificate and the Coggins papers must be attached to the entry form that is being sent to Robin Bartholomew/4-H Horse Superintendent.
- All the equines must be at least 24 months of age. No intact stallion over 12 months of age may be present at a 4-H sponsored clinic or show.
- All equines shown in riding and driving classes must be 3 years of age or older. If exhibiting a “junior equine” in the Western Division and using a snaffle or bosal – refer to age requirements in the Western Section of the NYS 4-H Horse Program Rule Book.
- All equines must have been officially designated as the member’s project animal by June 1 of the current year. A copy of the completed certificate must be filed with your Cornell Cooperative Extension office. Members may designate all personal or family-owned equines as project animals. Family will be defined as the legal guardian, as well as husband, wife, parent, stepparents, child, brother, stepchild, sister, half brother and sister, grandmother and grandfather and in-laws of the same relation. Any “shared” family-owned equine being shown in Jr. and Sr. classes, may NOT be entered in more than 6 classes per division.
- Members who do not own or use a family-owned equine may designate one non-owned equine as their project animal. The only exception to this will be youth may also designate donkeys, mules, minis or driving, mounted games and Drill/Parade/Quadrille as project animals, if they have already designated an owned or non-owned equine.

A non-owned equine may be shown by different youth in different Divisions. A non-owned equine may not be shown by multiple youth in each Division.

- Equines entered as ponies will be measured at check-in or present a USEF permanent pony card. This measurement will supersede all previous measurements and will be the sole basis for determination of status. There is no minimum size for equines entered as horses. Pony = 14.2 hands or less at the withers. (See 4-H Horse Show rulebook.)

### Exhibitors and Entries

- Exhibitors must meet age and membership requirements as specified for all Youth Dept. participants. They must be 4-H members.
- All entries must be completed online by **Saturday, August 2, 2025 at 5:00 pm** here: <https://nysfys.fairwire.com/>. For instructions [click here](#).

- Exhibitors must receive endorsement of a county 4-H Educator. Any entry that does not receive endorsement may be scratched.
- Additionally, all exhibitors must meet all the requirements set by that organization (i.e., membership, ownership, specific class requirements, etc.) as well as any animal health and registration requirements specified by their department.
- Exhibitors are responsible for emailing their entry receipt to their County Educator and Department Superintendent. [A directory of these contacts is located here.](#)

Each exhibitor shall exhibit no more than two (2) equines in the state show. Only one non-owned equine may be shown (see donkey, mule, mini and driving, exception noted prior). No more than one (1) equine may be entered in any one division, and no more than two (2) equines may be stabled in the pole barns at the same time.

Entries in the various divisions are based on the following quotas:

County Parade Team 2 teams per county or group of counties represented as a team. (Refer to 4-H Rule Book)

- Each exhibitor may enter as many classes in any division that they would like to as long as the horse is not over rode. In the Dressage Division only three (3) classes may be entered (this does not include Dressage Equitation, which may also be entered). A **maximum of two (2) equines** per exhibitor may be entered with Mini's, Donkey/Mules and Driving not being included in the maximum number of equines. Costume, Drill/Parade/Quadrille and Mounted Games classes **do not** count in determining the number of classes in a division or in the show. **Showmanship at halter** does count as one of the five (5) classes per division.
- Exhibitors must use the same equine(s) in the state show event as they used at the regional/county selection shows(s).
- Exhibitors may enter only those classes in the state show in which they received a "blue-excellent" award or its equivalent in the same or similar classes at the regional/county selection show(s). If consecutive order placing ribbons are used in the selection show(s), it shall be the responsibility of the county/regional staff or committee to determine the number of entries in each class deemed to merit the "blue-excellent" rating:
  - One (1) class may be entered in which a "red-good" rating was awarded in the same or similar class at the regional/county selection show(s) in order to assist meeting the suggested minimum of three classes per exhibitor **except** for over fences classes in the Hunt Seat Division Exhibitors may not enter a state show class in which, in the same or similar class at the regional/county selection show(s), they were dismissed from the ring, received no score or time, or received a "no award".
- No equine, regardless of the number of exhibitors using that equine, may be shown by one exhibitor as a horse in one division and as a pony by the same or different exhibitor in the same or different division.
- No equine may be entered by more than one exhibitor in any class.
- No non-owned equine may be shown by more than one exhibitor in a division. Only one rider per leased horse per division.
- Entries may not be submitted for, nor will they be accepted from exhibitors who, during their participation in the previous year's State event, received an official reprimand for rule violation from the Extension Horse Specialist, 4-H Horse Program Superintendent, Chair of the Division, the Show Committee or the 4-H Cornell Cooperative Extension Agent of their county of membership.

## Procedures

- Please refer to the “NYS 4-H Horse Show Rules” for the most complete details.
- Unless there is an official veterinarian available, the judge has the authority to dismiss from any class or the show any horse judged to be unsound or is apparently carrying a disease or other condition which would preclude appropriate or safe performance.
- The judge, ring master, division chairs or 4-H Horse Program Superintendent or Extension Horse Specialist may dismiss from any class, the show, or the grounds any exhibitor who is cruel and abusive of a horse, fails to follow or obey instruction, cannot maintain control of an unruly or inadequately trained equine or fails to cooperate with show management or other exhibitors. A kicking horse is considered unmanageable.
- **The decisions of the judges are final** and represent a non-protestable expression of individual preference unless a decision is alleged to be in violation of rules.
- Tack
- A judge, technical delegate or division chair shall have the authority to inspect all tack and equipment and to require the removal, replacement, or alteration of any piece of equipment deemed by the judge, technical delegate, or division chair to be unsafe, inappropriate for a 4-H show or which would give the equine or the exhibitor an unfair advantage.
- Broken tack in a class will be a disqualification from class.
- Classes which are larger than the ring can safely accommodate may be split.
- Exhibitor numbers will not be given if the helmet is not officially approved. It is the responsibility of the exhibitor to provide proof of approval.
- No patterns or courses will be used that will jeopardize the safety of the equine or the exhibitor. All patterns and courses for classes other than those contained in the rule book are to be posted at a reasonable time prior to the start of that class and there is to be no variation from the posted pattern or course.
- Delay of classes
- In classes where horses compete collectively, a warning is issued and the in gate is closed, or at the end of the one-minute call.
- In classes where equines compete individually, an order of go will be established and one minute allowed for the exhibitor to enter the ring. If jump order is used, it must be posted 30 minutes prior to the start of the class.
- If a class in which horses compete together is in progress and must be stopped due to a storm, accident or other emergency, it is recommended that the class will be held over in its entirety and no consideration will be given to the performance during the original session.
- Classes in which there are fewer than 4 exhibitors may be combined with other classes as deemed appropriate by the show officials. Classes may be sectioned by age of rider, size of equine, size of class, etc.
- Each event (educational or horse show) will be under the direct supervision of the NYS HEC Chairperson who will also be responsible for recruiting all or part of the teen leaders and volunteers who will assist with the event. The physical facilities, equipment, teen assistants, supplies, general operations, horse show office, stable management and ring condition are the responsibility of the 4-H Horse Program Superintendent. Each horse show division will be under the direction of the division chairperson. A technical delegate for each show division will also be identified to assist exhibitors and to help ensure adherence to established procedures and rules. A committee of three people will be established prior to each horse show division or educational event. This committee will make all necessary decisions if the need arises.
- Horse Show Committee will consist of: the
  - Division Chair, Technical Delegate, Horse Show Superintendent
- The State Extension Horse Specialist will be available to help with decisions if needed or when on the grounds. If the specialist is not needed or available, the three person committee has the authority to make decisions concerning their event.
- Adult volunteers are welcomed in a variety of tasks. Each region must also designate one or more Regional Exhibit Coordinators who will be responsible for the stable area, designating stalls to be used, and serving as a source of information throughout the time the region has exhibitors on the grounds.

## Supervision and Conduct

- Protests
- Protests must be made by an exhibitor or group captain, not by parents, coaches or any outside party. Protests must be confined to the exhibitor or group's own performance or placing, and in no case may a protest be made of another exhibitor's or group's score, placing or performance. (See Rule Books for more specifics).
- Protests are to be lodged with the Technical Delegate or the Division Chair prior to the beginning of the next event or class. The Technical Delegate and/or Division Chair will then determine the necessity of approaching the judge through the ring master and/or the chair.
- No parent, coach, visitor, or exhibitor may approach, question, or direct public comment to or about the judge. Violations will be handled on an individual the technical delegate, division chair, superintendent, show or event committee and, in extreme or flagrant cases, the NYS 4-H Horse Education Committee and/or the Extension Horse Specialist

- Conduct unbecoming to a parent, supervisor, or exhibitor is subject to disciplinary action. Coaching from ringside during class is considered unbecoming conduct.
- Barn & Grounds Rules
- No exhibitor or other youth will be permitted to sleep in the barns
- All barns close at 10:00 pm
- When mounted, 4-H exhibitors must have their show number visibly always displayed when on the New York State 4-H horse show grounds.
- No bareback riding on the New York State 4-H horse show grounds.
- There shall be no riding or other using of equines within the rings or pole barn area after the rings are officially closed. Rings close at 9:00 pm
- No smoking, cooking or use of any heat generating device may take place in the barns or immediately adjacent to the barns.
- No one other than exhibitors may ride, school or train on an equine entered in the show while on the 4-H show grounds. If a youth is having a problem with an equine, please talk with the Horse Show Superintendent or Division Chairperson – justified exceptions can be made. Safety of youth and equines is of primary concern.

### **Awards and Premiums**

- Consecutively numbered and appropriately colored rosettes will be awarded to no more than 10 entries in each class.
- Each exhibitor of an equine will be awarded a “day premium” for each of the total number of days during which classes in the division or divisions in which they are entered are compete.
- Each exhibitor of an equine used in the horse judging contest, or the Hippology Contest will receive a premium for \$4 for the use of the horse in each class in which it is used and a \$5 premium in each class in which the exhibitor leads or rides the horse.
