

Photography Display Example

Photographs must be matted and ready to hang. The work should be matted to a 11" x 14" mat board and mounted on foam board. The mat board can be any color, but only one mat per photo - double mats will be disqualified. The photo does not need to be 11" x 14".

For example: an 8" x 10" photo can be matted and then mounted on a 11" x 14" foam board. **NO GLASS, METAL OR WIRE.**

All work must be received with appropriate matting/mounting and be clearly labeled with the entry tag and photo consent form (if applicable) securely taped to back of the foam board. Please remember to remove claim stub from entry tag before attaching. Entry tag will be given to you on Receiving Days.

Vertical or horizontal photographs are accepted. This includes nontraditional photos. Please also note photo orientation – ex. "TOP." Prints may be signed, if desired, but signature should be covered for judging.

Judges' decisions are final, and the jury and/or State Fair Administration reserve the right to reject any work which is considered inappropriate for display.
