**\*\*CAMPING/RV\*\***

We will be offering pre-registration for LIVESTOCK RV Parking permits. Camping is limited to exhibitors. You will receive an email sometime after registering in our entry process containing details regarding how you can reserve a camping location. Locations are limited, so the sooner you register on-line, the better chance you will have of getting one.

A designated number of Temporary RV parking spaces are available in the Tan Beef/Youth RV Lot for participants in the Youth Horse Department and Beef Department.

You are unable to share RV camper stickers, as they will be affixed to the camper upon your arrival by the State Fair Parking Staff. **Sites must be vacated NO LATER THAN 3:00 pm on the last day of the permit.**

All vehicles should be parked either pulled-in or backed-in centered on the designated camping space number. Tow vehicle spaces are not and will not be assigned. You must not encroach on the assigned space of another guest with your RV, pushouts, pop-ups, awnings, grills or furniture in any direction. State Fair management are the sole arbitrators of whether a vehicle extends beyond space. If determined that the RV exceeds the dimensions on the RV application, you will be relocated or removed from the property. Please note, relocation is not always an option. Plan accordingly. **RV'S CAN NOT BE MOVED INTO THEIR SITE UNTIL THE BARN OPENS FOR YOUR ROTATION. RV'S ARE TO BE REMOVED BY 3:00 PM.**

### **RULES & REGULATIONS**

All animals must be registered in the American Hereford Association or American Polled Hereford Assoc.; original registration certificates must be presented upon request of Show Officials or AHA Staff.

Animals must be entered and exhibited under the recorded ownership name or co-owners' names as of show entry deadline date. Ear tattoos must be legible and correct for show eligibility.

Violation of AHA's rules regarding defects and unethical practices will result in disqualification of animals in question. All other rules of this Show apply.

These rules are specific and clear. It is the exhibitor's responsibility to make himself familiar with them. They must be complied with.

## GENERAL RULES

- A. **RECORD OF REGISTRY:** Registration in the American Hereford Association is required of all Herefords owned by and to be exhibited by American breeders, whether the animals were domestically produced or of foreign origin. Herefords originating outside the United States and owned by breeders living outside the USA must be registered in the recognized herd or stud book of the country of origin and recognized by the American Hereford Association or registered in the AHA.
- B. **REGISTRATION CERTIFICATES:** Exhibitors are required to have AHA original registration certificates of the animals on exhibit, in possession of the herdsman with the cattle. Similarly, in cases of animals originating from outside the USA and owned by breeders outside the USA, official registration certificates from country of origin are required. It is required that original registration certificates be current and accurate with regard to the animal's recorded ownership as of the show's entry deadline date. Original registration certificates are to be made available on request to staff.
- C. **REGISTRATION STATUS:** Application for registration must be on file with AHA by that specific show's entry deadline date for an animal to be eligible for that specific show.
- D. **IDENTIFICATION BY TATTOO:** Ear tattoos must be clearly legible and agree with animal's registration certificate. Any animal whose tattoos do not match the registration certificate is ineligible to be exhibited in that show at which detection is made.
- E. **OWNERSHIP:** Cattle must be entered and exhibited under recorded ownership as of the show's entry deadline date. (See Rule "G" also.)
- F. **NEW OWNERS:** Transfers of ownership must be on file in the AHA office no later than the show's entry deadline date.
- G. **JOINTLY OWNED ANIMALS:** Jointly owned animals must be entered and exhibited under joint ownership in the individual heifer and bull classes.

  - (2) Common ownership of all four animals in the Get-of-Sire Classes is not required; they may be solely owned or jointly owned by different breeder-exhibitors but get-of-sire entry may be entered/exhibited in the name of only one herd.
- I. **DEFECTS AND UNETHICAL PRACTICES:** The following are considered defects and unethical practices. Any violation of the rules regarding these will result in disqualification of the animal in question:
- (1) Removing, trimming or tampering with scurs, or any animal that is not a naturally polled animal.
  - (2) Cutting out, dyeing or otherwise tampering with any white hairs, constituting what is known as a lineback on the back of any animal.
  - (3) Application of hair or artificial foundation in any area of the animal to alter the appearance of the natural lines of structure of the animal.
  - (4) Application of dye or coloring to hair of any animal in any area of its body that would change natural color or color marking/pattern of animal.
- J. **SIFTING:** All cattle entered for show may be inspected and required to meet minimum standards of type, quality and conformation.

Show Date – Sunday, Sept 1 – 10:00 a.m.

The Simmental classes are open to all duly REGISTERED 87.5% (Purebred) and above animals of the American Simmental Association or the Canadian Simmental Association. (Less than purebred registered Simmental need to show in the “Sim/Angus – Sim/Solution” Show. All females & males must have an official original registration certificate. All females entered in class. 583 are required to have a certificate from a licensed veterinarian stating that the female is safe in calf prior to the show date or have a letter from an embryo transplant facility stating that she has produced viable embryos prior to show date or have a natural calf at side. All animals must be registered as the property of the exhibitor in the records of the American Simmental Association or Canadian Simmental Association as evidenced by the ORIGINAL REGISTRATION CERTIFICATE. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in individual classes, and for the purposes of calculating Premier Exhibitor and Premier Breeder, the points are attributable to the multi-ownership (all co-owners) not to the individual co-owners. In the group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided he owns a full or part interest in each of the animals in the group entry. Individual animals shown in all group classes listed below, except the Cow-Calf Class, must have been entered and shown in one of the following classes for individual animals. For group classes, except the Get-of-Sire Class and Produce of Dam, all individual animals making up a group entry must be owned or co-owned by the exhibitor and each exhibitor can only have one entry in each group class (other than Get & Produce). There is no ownership requirement for Get-of-Sire Class or Produce of Dam Class. The Get-of-Sire Class shall be in the name of the sire, not the exhibitor(s). Family members' animals registered in a junior member's name and entered in the open show may be treated as family entries in the group classes, if the Junior member is 21 years of age and under as of January 1st of that year. For Premier Breeder and Premier Exhibitor points, an exhibitor will be considered a junior member and their family as one, as explained above. Two-year-old Cow/Calf and Aged Cow/Calf classes must have natural suckling calf at side. Calf status (Purebred or Percentage) determines if pair is shown in Purebred or Percentage Show. Calf must be born on or after January 1, 2024. Calf can be shown individually. Any age cow in the aged cow/calf classes.

### **PREMIER BREEDER & EXHIBITOR**

A Premier Exhibitor Banner will be awarded to the exhibitor accumulating the most points on animals (not to exceed 10 head) exhibited by him and shown in individual classes. A Premier Breeder Banner will be awarded to the breeder accumulating the most points on animals bred by him and shown in the individual classes. Points for Premier Exhibitor and Premier Breeder shall be calculated as follows: First, second and third place animals in each class will receive one point for each animal IN THE CLASS, up to a maximum of 9 points to 1<sup>st</sup>, 8 points to 2<sup>nd</sup> place and 7 points to 3<sup>rd</sup> place. (For example: A first place winner in a class of six shall receive 6 points – first place winner in a class of one will receive 1 point.) Grand Champion shall receive 5 points; Reserve Grand Champion, 4 points; Division Champions, 3 points; and Reserve Division Champions, 2 points. In the event of a tie, the number of points shall be divided by the number of animals the points were derived from and the exhibitor/breeder having the higher point average shall be presented the award. Steers are included in the points.

The American Simmental Association does not offer any premium moneys, nor participate in the showing of Simmental Cattle. There is no guarantee, expressed or implied, by the New York State Fair that money or other prizes offered by others will be paid.
