ATTENTION

A photocopy of each animal's health papers does not have to accompany the entry form. Therefore, it is **IMPERATIVE** that you bring the original health papers with you for inspection upon arrival on the Fairgrounds.

BVD-PI Testing

- All cattle, llamas and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cattle

- Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).
 - Rabies vaccination is required for all cattle 4 months of age or older (see above).
 - All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.
 - All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.
1. Crossbred cattle can be shown each rotation in the Youth Show **only**. Crossbred cattle are hybrid varieties that are not eligible for registry in any purebred breed association. Crossbred cattle can only be shown in one rotation per New York State Fair year.
 2. There is a Costume Class being offered, each rotation.
 3. The project record requirement is no longer in effect for breeding cattle. Records must still be completed on any cattle being shown in Classes 15 – 23. Steer records can be obtained from the following website: <http://4h.ansci.cornell.edu/animal-programs/beef/>
 4. No deviation will be permitted from the printed rules and regulations or in the numbers or descriptions of classes unless initiated by the superintendent or requested by the judge.
 5. All Youth Beef entries must be quality endorsed by a 4-H Cornell Cooperative Extension Youth Educator, FFA Advisor or authorized representative of a qualified breed organization (New York resident) before the NYS Fair will accept them. Animals **are not** required to show at a county or regional fair to qualify for NYS entry. Endorsement by an above-mentioned youth representative is necessary, however, for entries to be made.

Entry forms can be obtained from Cornell Cooperative Extension Youth Educators, FFA Advisors, and the Youth Beef Superintendent. Entries may be mailed directly to the Fair as soon as they bear the endorsement of a youth representative. In no case will an entry be accepted after August 13, 2018. No phone entries will be accepted. All entries should carry First Class postage, allowing at least 7 days for delivery.

Address your completed entry forms to Entry Department, NYS Fair, 581 State Fair Boulevard, Syracuse, NY 13209. A copy also is required to be mailed to the youth superintendent by the entry deadline, CCE of Cortland Co., Heather Birdsall, 60

Central Ave., Cortland, NY 13045

6. All Youth steers must have been under the care and supervision of the exhibitor since February 1 of the current year. All breeding animals must have been owned by and under the care and supervision of the exhibitor since June 15 of the current year. This should be verified by the Youth representative when quality endorsing entries.
7. All animals must be owned individually. Joint, syndicate, family, or farm ownership is not considered individual ownership. This means that the name on the animal's registration must be the youth showing the animal.
8. Any animal exhibited by a youth member may be subject to drug testing as deemed necessary by the Superintendent. In the event that a positive result is obtained, the youth will be barred from showing animals at the State Fair, forfeit all premium money and prizes, and will be referred to their Youth Organization representative.
9. Exhibitors with registered breeding cattle: All animals must have original registration papers accompanying them. No copies will be accepted. Registration must be solely in the name of the exhibitor or be accompanied by an accepted lease agreement dated and signed by a Cooperative Extension Youth Educator. If an exhibitor leases an animal, only one animal per exhibitor can be leased and the verification paper work needs to be completed by a 4-H, FFA or Junior Association representative. **A leased cow/calf pair is considered to be one animal.** No animals in Classes 15 – 23 may be leased.
10. Requests for late arrivals or early departures **MUST** be made in writing to the superintendent by closing date for entries to the Fair. Requests will only be accepted if exhibitor is coming from or going to another show. **NO** telephone requests or last minute arrangements will be accepted.
11. Each exhibitor may show any number of animals owned **solely** by him or her (as indicated on registration certificates), with no more than two (2) entries in any one class.

Additionally, all youth **must** show their own animals unless they have more than one animal in the same class, in which event **only another youth exhibitor** may assist them.

All Youth Exhibitors are required to show in showmanship classes. Indicate class on entry form when entering projects.

12. All Youth Beef entries must conform to the Animal Health Requirements of the Department of Agriculture and Markets and must be permanently identified by an appropriate **USDA metal** ear tag, tattoo or brand.

The Superintendent is authorized and empowered to cause the removal from the buildings and grounds of all animals failing to meet the health conditions herein specified.

13. Special Activities: **All Youth Beef exhibitors are required to participate in a series of educational activities.** Consideration will be made in certain instances involving conflicts of these events.

14. Herdsmanship: Exhibitors whose cattle are housed with Open class animals will be eligible for the Open herdsmanship awards, not the Youth beef herdsmanship award. Herdsmanship is judged based on neatness and cleanliness of the exhibit, maintenance of courteous behavior at all times and cooperative attitude of the exhibitor.
15. The show ring is open in the evenings for working with animals unless the ring is prepared for a show the following morning. Permission must be obtained from the Open Class Superintendent.
16. Tie-out times are 7 p.m. and 6 p.m. on open show days. Animals **MUST** be tied in by 8 a.m. every day.
17. All Youth Hereford, Commercial, Shorthorn and Charolais heifers are to be in place by 9:30 a.m. on Wednesday, August 22. They may arrive between the hours of 3:00 p.m. – 9:00 p.m. on Tuesday, August 21 AND between 6:00 a.m. to 9:00 a.m. on Wednesday, August 22. 20. Cow/calf class: Cow can be any age. Birthdate of the calf must be January 1 or later of the current year. Calf must be the natural calf of the cow, not an embryo transplant. Owner of the cow must be recorded owner of the calf. **Calf may be shown in individual class.**
21. Prospect calf: Eligibility for this class is limited to a bull or steer calf **currently being shown with his dam,** provided calf's birthdate is January 1 or later of the current year.
22. All Youth Department Beef participants staying overnight on the New York State Fairgrounds are to sleep in the Youth Dormitories. No Beef Youth Department participants may sleep in the Youth Department animal exhibit areas. **The only exception for these overnight rules is for parents or legal guardians to stay in area hotels or campers on the State Fairgrounds. Parents and legal guardians who choose this option must turn in the Housing Exception Form available from their local Cornell Cooperative Extension Office. This exception does not include lodging or staying in an animal barn. Parents or legal guardians will assume full responsibility for the action and well-being of each of their children for whom an exception is requested and approved.**

Exhibitors showing under other Youth Organizations must contact the Youth Superintendent to obtain a permission form. Individual county rules will prevail where more restrictive.

23. The drinking age in New York is 21. Alcohol consumption by Youth will not be tolerated. Any Youth found drinking will be disqualified from the show and forfeit all premiums. Purchasing alcohol for an underage person and possession by a minor are both illegal in New York.

This program is coordinated by the Youth Beef Program Staff with assistance from NYS Beef Producers. Any questions regarding this program can be addressed by the Youth Beef Superintendent.
