### A. RULES AND REGULATIONS

1. All New York State Dept. 51 entries must be quality endorsed by a 4-H Cornell Cooperative Extension Educator or by an Agricultural Education (FFA) Advisor or by an authorized representative of a qualified related youth organization before they can be accepted by the NYS Fair.

4-H'ers may send their entries directly to the Fair as soon as the entry bears the endorsement of a county Cornell Cooperative Extension Educator or other party designated by Cornell Cooperative Extension to endorse its entries.

In no case will an entry be accepted after 4:30 p.m., August 13, 2018. No phoned in entries will be accepted. All entries should carry First Class postage. Allow at least 7 days for delivery. Address your completed, educator-endorsed entries to: Entry Department, NYS Fair, 581 State Fair Blvd., Syracuse, NY 13209. **A copy is also required to be mailed to the youth superintendent by the entry deadline.** Refer to the "Exhibitor's letter" for more details found on Cornell University Animal Science website: <http://4h.ansci.cornell.edu/animal-programs/rabbits/>

2. There is **NO** limit on the **NUMBER** of animals that can be exhibited. However, each exhibitor is allowed to enter **ONLY** 1 animal in each **CLASS** in each **BREED** – rabbits and cavies.
3. In situations where Cornell Cooperative Extension entries cannot be finalized until after the State Fair entry deadline, **ALL** potential entries should be entered by the deadline and the State Fair Entry Dept. should be notified of scratches prior to the start of the Fair.
4. All Youth Rabbits and Cavies must conform to the rules and regulations of the Livestock Health Requirements as determined by the Department of Agriculture and Markets printed at the beginning of the catalog. All Youth Rabbits and Cavies must go through a compulsory health check at registration before they will be allowed to show.
  - a) Each animal only needs to be health checked once, upon arrival (unless the animal travels home and back for each day).
  - b) All rabbits and cavies must be health checked. 4-H standards of health may be stricter than American Rabbit Breeders Association (ARBA) requirements.
  - c) Under adult supervision, youth may be health checking animals. These youth will be experienced rabbit raisers and have had prior training.
  - d) Animals not passing the health check will need to be housed in a specially designated area until it is possible to bring them home.
  - e) Health Checkers will be available according to the following **SCHEDULE** (please schedule your arrival accordingly):

Friday, August 31

7:00-9:30 p.m.

Saturday, September 1

8:00-9:45 a.m.

Animals arriving on Friday (Aug. 31) or Saturday night (Sept. 1) need to be placed in a specially designated area (NOT the same as the area housing animals

that have passed the health check) until they can be health checked.

5. Rabbits and cavies must be brought to the fair in a suitable carrying case/cage. Each exhibitor must assume complete responsibility for his or her animal(s) while at the show. The State Fair or designated superintendent assumes no responsibility for animals brought to the show or exhibited.
6. Total State Fair Youth Rabbit and Cavy Events last two days. Exhibitors who wish to participate in events on both Saturday and Sunday may wish to house their rabbits and/or cavies overnight (Friday and Saturday night). Space is available in the Youth Arena and, with permission from the superintendent, rabbits and cavies may be housed there overnight. Animal cages, feed, etc. are to be supplied by the exhibitors.
7. **All Youth Rabbit and Cavy Events will be held in the Youth Arena. (This is not the Poultry Building where the Open Show Rabbits are housed.)**
8. Only **exhibitors** will be allowed in the show arena during any event. Youth are expected to bring their own rabbits and cavies to the table for any contest/breed class. If they are already at one table during the breed show when a second animal of theirs is needed at another table, another youth should be asked to bring the second animal to the appropriate table.
9. Show coats are **not** required. Expected attire will include either a long sleeve show coat of any color OR a long sleeve collared white button shirt.
10. Breed Show.
  - a) Rabbits and Cavies will be judged on the Danish System in each class, but American Rabbit Breeders Association (ARBA) standards will be followed.
  - b) The Best of Breed and Reserve Best of Breed will be selected from the class winners. The owners of the Best of Breed winners are expected to bring their animal back to the show table at the completion of the judging for the selection of Best Reserve in Show and Best in Show.
  - c) Cavy exhibitors will be awarded ribbons on the Danish System (Blue, Red, White).
  - d) All exhibitors must register on the day of the show at the Youth Arena. **Tattoos in the left ear will be required.**
  - e) The rabbit/cavy show will begin at 10 a.m. There will be **NO** “break” during the show. Breeds will be judged beginning with the most populous breed exhibited.
  - f) Rabbits housed and shown in Open classes may be shown in Youth classes, but must comply with entry and registration procedures as stated above, and with Open Class rules.
11. More detailed information is posted on the Cornell University Animal Science Department website at <http://4h.ansci.cornell.edu/animal-programs/rabbits/>

The actual rabbits to be shown do not need to be entered until the day of the show. This will allow the youth to evaluate his/her rabbits and cavies closer to show day and decide which animals are in the best condition to bring to the fair.
