No licensee will be allowed under any circumstances to possess these devices within their display area. Any other product deemed inappropriate or unsafe by Fair Management or the New York State Police will not be allowed.

You must have received prior approval from New York State Fair Management for any giveaways. Decisions are made during the application and approval process and are reflected in the Exhibit License Agreement.

The decision of what constitutes undue noise or unseemly method shall rest with the NYS Fair whose decision will be final.

### **Move In**

Exhibit License Agreements, payments and all appropriate paperwork for your Concession or Exhibit location must be completed and paid in full before move-in will be allowed.

#### **EARLY MOVE IN**

We welcome and encourage early set up. All license holders may bring their stands, exhibits, trailers, structures, and equipment onto the fairgrounds by appointment from 8:30am to 4:30pm starting Monday, August 12, 2019 through Saturday, August 17, 2019. Please contact the Concessions & Exhibits office to request set up at a day/time.

## **REGULAR MOVE IN**

All buildings and grounds will be open and ready for move-in and set-up on:

- Sunday August 18 and Monday, August 19, 2019 at 8:00am to 8:00pm or Tuesday, August 20, 2019 at 8:00am to 10:00pm

All Concessionaires and Exhibitors (with the exception of those occupying permanent structures) shall first check-in with the Concessions and Exhibits Office. A representative from the Concessions and Exhibits Office will guide you to your designated location.

**Vehicles may not be driven into Fair exhibit buildings - this includes the Center of Progress, Horticulture Building, International Building, Science & Industry Building and Dairy Products Building.**

Any concessionaire or exhibitor constructing a tent on the grounds must check in with the Concessions and Exhibits Office before setting tents to assure the proper placement and safety and protection of people and underground utilities. To prevent stakes in pavement, we encourage self-standing framed tents. The Concessionaire or Exhibitor shall be liable for damages caused by failure to follow this rule. If you must have a tent or concession erected before Monday, August 12, 2019, an appointment must be made through the Concessions and Exhibits Office. See more information below for early move-in.

In the event any concessionaire or exhibitor fails to occupy a leased space by 8:00pm, Tuesday, August 20, 2019, State Fair Management may terminate the contract unless prior permission has been obtained. No refund will be made in such a case, and the Fair will be authorized to reallocate said space to another Concessionaire or Exhibitor.

No vendor, sponsor, decorator, etc. shall be authorized to utilize New York State Fair equipment (platform lifts, forklifts, etc.). If vendors, sponsors, etc. require such equipment for set up or take down of booths, displays, etc., such equipment must be brought in at the vendor or sponsor's expense with prior approval from the New York State Fair. The vendor, sponsor, etc. shall be responsible for the safe use of such equipment and adherence to all OSHA rules governing the use of such equipment.

All pallets must be removed from the grounds by the start of the Fair. Vendors will be assessed a charge of \$20.00 each for pallets removed by New York State Fair staff.

## **Move Out**

Under the terms of your Exhibit License Agreement, all exhibits and displays must remain open and in place until close of business Monday, September 2, 2019 Labor Day (this is 9:00 pm - closing includes buildings, outside locations, beer, wine and distilled spirits sales). Indoor and outdoor concessionaires and exhibitors will be monitored by State Fair personnel on Monday, September 2, 2019. Dismantling of your concession/exhibit area before 9:00pm in buildings and outside locations will be cause for adverse documentation in your Exhibit License Agreement file. Early dismantling of a concession/exhibit area will be taken into consideration for future Exhibit License Agreements with the New York State Fair.

Vehicles are not allowed on the Fairgrounds until 11:00pm on Monday, September 2, 2019. The New York State Police and New York State Fair Security will enforce this policy.

For move-out, all buildings will be open from 8:30am to 4:30pm only on Tuesday and Wednesday following Labor Day. There will be no access to buildings after 4:30pm.

Congestion in the buildings at the time of move-out can be kept at a minimum if no vehicles with trailers are brought into the building and only one vehicle per exhibit is used.

Cooperation among vendors is expected and appreciated.

Due to the fact that the grounds are leased immediately after the New York State Fair, all belongings must be removed from the Fairgrounds by 4:30 pm, Wednesday, September 4, 2019, or the remaining items will be removed by the Fair at the owner's expense.

Vendors are responsible for assuring that all propane tanks are removed from the Fairgrounds by 4:30pm, Wednesday, September 4, 2019.

Outside Concessionaires and Exhibitors will be held responsible for the timely removal of rented tents. All such tents must be removed by Friday, September 6, 2019.

At the time of move-out, it shall be the vendors responsibility to take all trash and cardboard to the proper receptacles and leave their site as clean as they found it. Violations will result in fines, future consideration, etc...

### **Percentage Contracts**

The New York State Fair reserves the right to audit sales of any Concessionaire or Exhibitor with a percentage contract. The Fair may use any form of audit technique it deems necessary. Such audits will not unduly harm or hinder the Concessionaire or Exhibitor's normal sales activity. Payment schedules must be adhered to as outlined in your addendum. Daily reports are to be provided to the Fair's representative. All percentage contracts require an approved sales accountability system that must be used.

### **Permanent Structures**

Concessionaires or Exhibitors occupying permanent structures on the New York State Fairgrounds occupy those spaces at the discretion of New York State Fair Management on a year-to-year basis.

Anything placed on the premises pursuant to the Exhibit License Agreement is subject to a security interest on behalf of the Fair. Should you fail to pay the amounts due under the Exhibit License Agreement, the Fair may take such property, remove it from its location and sell the same publicly or privately and apply the proceeds of such sale to the payment of amounts due under the Exhibit License Agreement.

Licensees occupying permanent structure concession and exhibit locations shall notify the Concessions and Exhibits Office if they intend to vacate their location and not renew their License no later than six months prior to the opening day of the annual Fair. Should a Concessionaire or Exhibitor choose to vacate any permanent structure at the Fair, that licensee will be replaced at the discretion of New York State Fair Management. The licensee maintains no ownership interest in the structure.

You are responsible for the maintenance and service of your location. If you wish to paint, remodel or renovate, you must get prior written approval from New York State Fair Management.

Permanent structure vendors are required to keep their seating areas and tables clean and neat at all times.

A set of keys for your building or structure must be given to the Fair Maintenance Department for access to such facilities in the event of emergency.
