

# RABBITS AND CAVIES

Located in the Poultry Barn and 4-H Youth Arena

## Special Note:

Be sure to stop by our baby rabbit and baby cavy exhibit in the rabbit section of the poultry building all 13 days of the Fair. On Tuesday, August 27th from 10am-6pm there will be a live demonstration of combing and cutting fur from angora rabbits, which will be spun into yarn and then made into hats, mittens, scarves etc. This demonstration is located near the waterfowl pond in the center of the poultry building
