*AAA Western and Central New York will provide road service for the NYS Fair, including lockout, battery jump starts, tire service, fuel delivery, and on-site towing. Fair guests will be charged established AAA member and non-member rates for tire repairs, battery installations, fuel cost on fuel delivery, and towing services to off-site locations. This offer is valid only during fair attendance and within dates shown below.

AAA will have vehicles on-site August 24 - September 5, 2022
