SPECIFIC RULES FOR ROSE SHOW

1. The rules printed herein and the flower show general rules are made a part of the conditions under which all entries of exhibitors are made, and exhibitors are respectfully requested to read them carefully, thereby avoiding confusion at the time of the Fair and to ensure that all entries are in the appropriate class.
2. Exhibitors should file a complete list of possible entries when submitting entry form to allow entry tags to be printed. Additional entries are permitted the morning of the Show.
3. Roses exhibited in horticultural classes must have been grown out of doors in the Exhibitor's Private Garden.
4. Containers will be provided for all entries in horticultural classes.
5. Only one exhibitor per variety allowed from a garden.
6. ONE BLOOM PER STEM entries must be shown disbudded (no side buds allowed). A SPRAY must have at least two blooms.
7. When a **named** variety class exists, a rose **must** be entered in that class.
8. **Multiple entries are permitted in color classes** or type of rose classes, provided that **each entry is a different named variety**.
9. All entries must follow the classification of Roses as found in the American Rose Society's 2023 Handbook for Selecting Roses and Modern Roses XII.
10. Judging of exhibits will be conducted in accordance with American Rose Society standards. Decisions of the judges are final.

SCALE OF POINTS FOR JUDGES AND EXHIBITORS

The official point scoring system of the American Rose Society is:

Form	25 points
Substance	15 points
Color	20 points
Stem and Foliage	20 points
Balance and Proportion	10 points
Size	10 points

A typical blue ribbon winner will have symmetrical form, bright coloration, healthy foliage, fresh petals, good size, and a stem length sufficient to give a pleasing proportion to the size of the bloom. At the time of judging the rose should be at its most perfect phase of possible beauty, neither a tight bud nor full-blown bloom.

Example Tag:

The tag is a rectangular label with a dashed horizontal line across the middle. The top section contains the following text: 'Bar Code', 'Bar Code', 'Bar Code', 'New York State Fair', '4294', 'Department Roses', 'Division Hybrid Teas', 'Class 204', and 'Variety Peace'. The bottom section contains: 'Fred Miller', 'Syracuse, NY', 'Fred Miller', and '4294'. Red arrows point from labels on the right to these fields: 'Exhibitor Number' points to '4294' at the top; 'Department' points to 'New York State Fair'; 'Division' points to 'Roses'; 'Class of cultivar' points to 'Hybrid Teas'; 'Cultivar Name' points to 'Peace'; 'Fold Line' points to the dashed horizontal line; 'Exhibitor Name and address (use a mail address label if you wish)' points to 'Fred Miller, Syracuse, NY'; and 'Exhibitor Number' points to '4294' at the bottom.
