

# 2024 New York State Fair Approved Wholesalers

As of 8/14/2024

The wholesalers on this list are approved by the New York State Fair to supply food, beverages, merchandise, supplies, or to repair/replace equipment ordered by vendors, and to operate on the Fairgrounds during the 2024 Fair.

Deliveries by wholesalers must be complete, and all service vehicles must be off the grounds by 9:00 am each day of the Fair. For emergencies or special cases after 9:00am, wholesalers must get permission from the Fair's Concessions office in advance and receive approval.

Vendors must contact the wholesaler directly, except where noted, as all wholesalers and service suppliers remain independent contractors and do not work for the Fair.

For questions regarding Fair business, please contact the Concession & Exhibit office at 315-487-7711 or e-mail: [nysfairconcessions@agriculture.ny.gov](mailto:nysfairconcessions@agriculture.ny.gov).
